A Great Place to Live...

**JACKSON TOWNSHIP NEWS AND UPDATES** SPRING 2014

**Station 204 to open spring 2014**

Jackson Township Division of Fire's fourth station — Station 204 off Buckeye Parkway — is expected to open in May 2014. Station 204 is fully funded by a Federal Emergency Management Agency grant and the City of Grove City tax-increment funds. Construction and weather setbacks caused its delayed opening. Visit Jackson Township's website or social media pages for grand opening dates and activities.

Pictured (from left) are Lt. Jim Parmenter, firefighter/paramedic Pat Foley and firefighter Erik Hipple — a few of Station 204's crew.

**Community Environmental Day May 3, 2014**

Bring documents for shredding, electronics for recycling and up to four tires to the Keep Grove City Beautiful Community Environmental Day from 8 a.m. to 1 p.m. May 3, 2014 at the Jackson Township Administration Building, 3756 Hoover Road. More information is available at <http://bit.ly/1h2t3s3>.

New this year: Bring household items and building materials for Habitat for Humanity, or canned food for the Grove City Food Pantry.

**Operation Medicine Drop April 26, 2014**

Dispose properly of unwanted prescription and over-the-counter, non-liquid medicines at the 4th annual Operation Medicine Drop from 10 a.m. to 2 p.m. April 26, 2014 at Station 202, 3650 Hoover Road in Grove City. As part of the National Take-Back Initiative, drugs are disposed of in a safe, legal and environmentally conscious way — no questions asked. Pet medications also are accepted.

Event sponsors are Jackson Township Division of Fire, the City of Grove City, Grove City Police Department, Giant Eagle and the U.S. Department of Justice Drug Enforcement Administration.

**What residents can do to keep waters clean**

Jackson Township in partnership with the Franklin Soil and Water Conservation District has a stormwater pollution prevention brochure available to residents. The brochure offers examples and resources on how to prevent stormwater pollution. Learn about cleaning, cars, landscaping, dumpsters, storage and off-site jobs. The brochure is available at [www.jacksontwp.org/stormwater-management/](http://www.jacksontwp.org/stormwater-management/).

**2014 Safety Town dates set**

Safety Town 2014 will be held June 12-13, 2014 and June 16-20, 2014. There will be morning and afternoon sessions, and every prekindergarten child registered will be guaranteed a spot.

Safety Town is a program of the Jackson Township Professional Firefighters Local 2672, and is presented in cooperation with the Jackson Township Division of Fire, Grove City Division of Police and South-Western City Schools. The most up-to-date information including location and registration will be posted to the Jackson Township website, and Safety Town, Jackson Township Division of Fire and Grove City Division of Police Facebook pages.

**White Road closes through October**

The final phase of the White Road reconstruction project began March 31, 2014. The \$1.9 million improvement by Shelly & Sands includes new pavement, curbs, sidewalks and waterline. The project is funded by an Ohio Public Works Commission grant, Jackson Township, Franklin County Engineer and City of Grove City.

**Safety first: Visible addresses, right for sirens, lights**

Jackson Township Division of Fire firefighter/paramedics remind residents to mark their house numbers clearly so they can readily locate addresses during emergencies. Easy-to-post, reflective green 6-by-18 inch signs with up to eight reflective numbers are sold for \$7 at the Jackson Township Administration

Building. Another extremely important safety reminder:

**Road crew tends to township roads**

Zuber Road was one of the first to get patched this spring. Jackson Township road crew (from left) Tony Mowery, Pat Stage and Road Superintendent Bob Snyder fill an average of 75 potholes each spring.

**Techs set record, install 241 child safety seats**

Indol Moore, one Jackson Township Division of Fire's 19 certified child passenger safety technicians, is pictured with 8-month-old Mia. Certified CPSTs properly installed a record 241 child safety seats in 2013. Of those, only 5 percent arrived correctly installed. The biggest detected mistake is seat belts not locked into vehicles securely. Call (614) 875-5588 for an appointment.

**Five new firefighters join Jackson Township**

Jackson Township Division of Fire welcomes five new experienced part-time firefighter/paramedics: Raymond Cunningham, Drew Gable, Jeremy Latella, Dustin Widmayer and Kyle Wilson.

"All four have worked for other fire departments," said Human Resources Director Lynn Bruno. "They bring enthusiasm and a readiness to do a great job for the Jackson Township Division of Fire."

**Jackson Township introduces newest lieutenants: Burley, Tilley, Wess**

Pictured (from left) are Jackson Township Division of Fire's newest lieutenants: Jason Burley, Dan Tilley and Brian Wess. Burley and Tilley are assigned to Station 202; and Wess will work at Station 204. These three firefighter/paramedics with 45 years of combined experience have completed a competitive promotion process, and exhibited the necessary skills and integrity to be promoted to lieutenant.

**11 assist in rescue of 7 from Big Darby Creek**

Jackson Township Division of Fire firefighter/paramedics assisted Pleasant Township Fire Department with a dangerous water rescue of seven kayakers from the icy-cold, rushing waters of Darby Creek Feb. 22, 2014. Those responding were Capt. Randy Little, Lt. Jason Burley, Dustin Bradbury, Troy Coffey, Josh Hammond, Alex Maust, Chris Patton, Greg Scarberry, Ken Sayre, Ken Spangler and Kyle Weekly.

Safety reminders: Always wear life jackets when boating, and "Reach or Throw: Don't Go": <https://www.youtube.com/watch?v=exhsd2YhO58>.
